ESD work coat Pro Line PLUS, long-sleeved, unisex, 185 g/m^2, white, XS

Discover the SafeGuard ESD work coat Pro Line PLUS - the perfect combination of functionality and style. With its unisex design and 3/4 garment length, this ESD gown offers a universal fit and maximum comfort. The conductive yarn with a 3.5 x 3.5 mm grid ensures a typical point-to-point resistance of Rp-p = 10^6 -10^7 Ohm, guaranteeing you a reliable ESD protective function.
The practical details such as the 2 side pockets, press studs on the sleeves, the ESD logo on the breast pocket and the row of buttons with fabric cover give this ESD smock a professional touch. The lapel collar and concealed button placket ensure an elegant appearance, while the long sleeves made of 63% PES, 33% cotton and 4% carbonized yarn offer you maximum comfort.
With its ESD certification and ESD-compliant design, the SafeGuard ESD work coat Pro Line PLUS is the ideal choice for anyone working in electronics production. See the quality and functionality of this ESD coat for yourself and get your reliable companion for

everyday work now.
