ESD T-shirt with breast pocket, V-neck, 150g/m^2, dark gray, M

With the ESD T-shirt from SafeGuard, you are ideally equipped for the ESD-protected work area. The dark gray shirt with V-neck and breast pocket is suitable for both men and women. Thanks to the Oeko Tex certification, you can not only rely on protection against electrostatic discharge, but also on the environmental compatibility of the material. The short-sleeved shirt with a typical surface resistance (Rpp) of 10^5 Ohm - 10^7 Ohm offers a comfortable fit and optimum functionality in the ESD area. By meeting the requirements of DIN EN 61340-5-1, this shirt is not only stylish but also safe. The combination of 96% cotton and 4% carbon fiber ensures an ideal balance between comfort and protection. With a fabric weight of 150 g/m^2, the SafeGuard ESD T-shirt is light and comfortable to wear. Show your commitment to safety in the ESD sector with the discreetly placed ESD logo on the sleeve of this high-quality shirt. Invest in quality, style and safety - invest in SafeGuard.
