Carrying handle PCB magazine 180 / 300, 2 pieces

The PCB holders can be assembled in vertical as well as horizontal position. The system is absolutely variable in width and can be mounted for all PCB sizes as required. For the various PCBs, 100, 180 and 300 mm high PCB holders are offered. With 32 guide grooves at 10 mm intervals, the PCB holders offer maximum packing density.
Safe guiding: The guide grooves are funnel-shaped at the beginning to ensure safe insertion of the PCBs. The glued-on positioning strips with yellow colour markings indicate the exact placement position and prevent PCBs from being inserted at an angle by hand.
• Scope of delivery: 1 set = 2 pieces

Item no.	**WL10757**
Model	8910097
Manufacturer	CAB
Manufacturer article no.	8910097
GPSR manufacturer data	CAB Produkttechnik Wilhelm-Schickard-Straße 14 DE-76131 Karlsruhe www.cabgmbh.com
Sales unit	1 set
Content unit	2 piece
ESD compliant	no
PCB magazine series	Series 180, Series 300
