Profile rail PCB magazine / 252 mm

The PCB holders can be assembled in both vertical and horizontal positions. The system is absolutely variable in width and can be mounted for all PCB sizes as required. For the various PCBs, 100, 180 and 300 mm high PCB holders are offered. With 32 guide grooves at 10 mm intervals, the PCB holders offer maximum packing density.
Safe guiding: The guide grooves are funnel-shaped at the beginning to ensure safe insertion of the PCBs. The glued-on positioning strips with yellow colour markings indicate the exact placement position and prevent PCBs from being inserted at an angle by hand.
• Length 252 mm
• Weight: 0,11 kg

Item no.	**WL10760**
Model	8910252
Manufacturer	CAB
Manufacturer article no.	8910252
GPSR manufacturer data	CAB Produkttechnik Wilhelm-Schickard-Straße 14 DE-76131 Karlsruhe www.cabgmbh.com
Sales unit	1 piece
Content unit	1 piece
ESD compliant	no
PCB magazine series	Series 100, Series 180, Series 300
