Tool box with castors, with 8 drawers, red, 693 mm × 510 mm × 955 mm

The E72 Storage HUB is designed to provide a market-leading level of security and performance in a slim model. The innovative, robust housing is the heart of the E72 HUB. The discreet design with rounded corners, shock-absorbing corner bumpers and the new round key locking system ensures optimum security in any working environment.
• Robust workshop trolley with 8 drawers, based on a double-walled construction
• Fully opening drawers with smooth sliding ball bearing runners with a load capacity of up to 30 kg
• The rubber wheels ensure maximum stability and easy manoeuvrability of the workshop trolley even on uneven surfaces
• Various optional accessories can be attached to the holders in the side panels.
• Resistant and secure locking system with central locking protects against theft of the contents
• Scratch-resistant powder coating outside and inside for best possible rust protection

• The edge protection on the sides protects against injuries and damage to objects in the surrounding area
• The double-walled housing protects against collisions, so that the drawers can still be opened
• An extensive range of Fit&Go tool sets in foam inserts is available

Item no.	WL55024
Model	1472K8RED
Manufacturer	BAHCO
Manufacturer article no.	1472K8RED
GPSR manufacturer data	BAHCO Werkzeuge Maybachstr. 10 DE-71711 Steinheim www.bahco-werkzeuge.de
Length	780 mm
Width	580 mm
Height	952 mm
Sales unit	1 piece
Content unit	1 piece
