Easton work trousers, men, black, C52

The Easton work pants from South West are versatile and durable work pants suitable for a wide range of occupations. Made from a robust polyester-cotton blend, they offer added comfort and freedom of movement throughout the working day thanks to mechanical stretch.

Equipped with several spacious pockets - including a ruler pocket and a leg pocket with integrated cell phone pocket - the Easton work pants offer plenty of practical storage space. A 5 cm extension option at the leg ends also makes it easy to adjust the length of the pants for a perfect fit.

These trousers are the ideal choice for anyone looking for a reliable and versatile garment that can cope with both demanding work environments and everyday life with style and functionality.
