Wood twist drill bit and bit set, 18-piece

18-piece wood twist drill bit and bit set. High-quality wood twist drill bits for precise, tear-free drilling in softwood, hardwood and coated panel materials. Made from high-speed steel (HSS). Finely tuned material elasticity ensures a long service life. Very good concentricity. Very good power transmission due to hexagonal shank. The Rapidaptor universal holder enables bits to be changed at lightning speed without an auxiliary tool. Drive: 1/4" hexagon, suitable for holders with a DIN ISO 1173-D 6.3 socket.

- Ideal for repair and assembly work in mobile applications
- Rapidaptor holder for quick bit change
- With 1/4" drive suitable for the screwdriver
- With Rapidaptor universal holder, wood twist drill bits and bits with 1/4" drive
- In a practical and robust belt pouch
