

Pistol grip, DLV-71/72/81/82

The DLW-2300 pistol grip from DELVO is the ideal addition to the DLV-71, DLV-72, DLV-81 and DLV-82 series of electric screwdrivers. Specially designed for professional use, the handle ensures ergonomic handling and safe, comfortable guidance of the screwdriver during work.

Thanks to its precise fit, the pistol grip can be mounted quickly and easily on the compatible tools, significantly improving handling and control. It supports efficient power transmission and enables longer applications without tiring the hand or forearm.

Made from robust material, the DLW-2300 guarantees durability and reliable use in everyday workshop operations. The combination of ergonomic design and sturdy construction makes the pistol grip an indispensable addition for electric screwdriver users who value comfort, safety and precision.
