suction tip

The antistatic suction tip and desoldering tip for the SA 21A from Weller offer precise and reliable solutions for demanding soldering work. These tips are specially developed to minimize electrostatic discharges and thus protect sensitive electronic components. The high-quality workmanship ensures a long service life and consistent performance. Perfectly matched to the SA 21A, they enable efficient work when removing solder and cleaning solder joints. An indispensable accessory for precise and safe soldering processes.
Desoldering tip antistatic for SA 21A

Item no.	**WL17058**
Model	SA21A1
Manufacturer	WELLER
Manufacturer article no.	SA21A1
