

Weller Erem 500103A Forming Plier for Bending Flat Components, Contacts, Power Transistors

1 Million Movements - Magic Spring™ design enables maximum durability with constant spring force movements

Precision - Experience precise bending from the high-precision screw joint that enables a smooth action with no jaw overlap

Quality - Uncompromising Swiss quality created to be strong and durable

Comfort, Security and Grip - Ergonomically-shaped handles provide superior comfort and fatigue-free handling with Maximum Opening Stop Technology

ESD Safe - made from ESD-safe material to prevent damage to sensitive components

Safe bending, forming and preparation of component connections, specially for integrated components and power transistors

Non-reflecting surface

Weller Erem® Pliers are designed to ensure an accurate and sure grip every time.

Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Pliers are built to last. The

Products for the electronic industry

signature high-performance pliers set the industry standard with their built-in Weller Erem Magic Spring™ providing over 1 million constant closing and re-opening force movements. With other state-of-the-art advanced features, including High-Precision Screw Joint, and Maximum Opening Stop Technology, Weller Erem Pliers provide the longest durability, highest precision and best quality on the planet. Feel the difference with Weller Erem® – the proven choice. Every time.

- Safe bending, forming and preparation of component connections, especially for integrated components and power transistors
- Reflection-free surface
- ESD-safe
- Swiss made

item number	WL17166
model	500-103-A
manufacturer	Weller Erem
manufacturer item number	500103A
order unit	1 piece
content unit	1 piece
material	Special tool steel
VDE	no
ESD safe	yes
tool length	120 mm
type of pliers	forming pliers
