

## Weller Erem 884EPCM Side Cutter Flush 115 Mm For PCB Separation Only

---

---

Side cutter, suitable for cutting printed-circuit boards

Made from ESD-safe material to prevent damage to sensitive components

Uncompromising Swiss quality created to be strong and durable

The Perfect Cut - Strong, sharp and precise, every time Weller Erem® Cutters are designed to be strong, durable and sharp, having the highest precision available. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Cutters are built to last. The signature high-performance cutters set the industry standard with features that include Weller Erem Magic Spring™ providing over one million consistent, precise and accurate movements, High-Precision Screw Joint, and Maximum Opening Stop Technology. Feel the difference with Weller Erem® – the proven choice. Every time.

1500 Weller Erem pneumatic side cutters are light and precise. Thanks to a selection of different cutting heads they can operate extremely versatile. The cutters are suitable for

cutting conventional components, soft metals or small plastic parts. The cutting heads can be interchanged easily.
