

## Weller Erem AASA Precision Tweezer 127 Mm From Stainless Steel Body And Stainless Steel Tip

For applications in microelectronics, jewelry making, watchmaking, medicine, and laboratory technology

Suitable for delicate standard applications and precision work on small components or wires

Special stainless steel, non-magnetic, non-rusting, acid-proof, heat-resistant

Ergonomically-shaped handles provide superior comfort and fatigue-free handling

Weller has a wide range of tweezers made from various material and tips, for the right application

Superior symmetrically pointed tips

Made from ESD-safe material to prevent damage to sensitive components

Uncompromising Swiss quality created to be strong and durable Weller Erem® has a wide range of Tweezers, each designed to be strong, comfortable and precise. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Tweezers are built to last. The signature high-performance tweezers set the industry standard with ergonomically-shaped handles and pointed tips for precise results, providing the longest durability, highest precision and best quality on the planet. Feel the difference with Weller Erem – the proven choice. Every time.

Weller Erem™ has a wide range of Tweezers, each designed to be strong, comfortable and precise. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Tweezers are built to last. Feel the difference with Weller Erem™ – the proven choice. Every time.

- For applications in microelectronics, jewellery manufacture, watch industry, medicine and laboratory technology.
- Suitable for fine standard applications and precision work on small components and wires.
- Special stainless steel, non-magnetic, rustproof, acid-proof, heat-resistant
- Swiss made
