

## ESD bracelet dark blue, 10 mm snap fastener, toothed clasp

The ESD bracelets PRO from SafeGuard convince by their outstanding wearing comfort and have a toothed closure. This improves the hold of the ESD bracelets on the wrist and allows more freedom of movement in the workplace.

- ultra-light and ultra-soft
- with best wearing comfort
- antiallergic
- easily adjustable
- serrated closure - improved grip
- Silver and carbon processed
- tested according to BGI 818: 2001
