

Base box for DN 50/63/75, length 250 mm, connection at the top

With the base boxes from Alsident the installation of the extraction arms for ceiling mounting is very easy to accomplish. These are made of steel and are painted with TGIC powder paint on all surfaces.

- Base box for mounting extraction arms for ceiling mounting
- Very stable construction made of sheet steel
- Increased durability due to the elaborate polyester
- Full varnishing on all surfaces
