

ESD chair COMFORT CHAIR, grey, soft castors

Abbildung zeigt
Ausführung blau

The ESD chair Comfort by Warmbier has a conductive plastic shell of the backrest, so that charges can be safely dissipated. In addition, the chair can be individually adjusted with the help of the dynamic backrest.

- Equipment: without armrests
- 5-star chromed aluminium base with 5 conductive soft castors
- Asynchronous mechanism
- Seat and dynamic backrest individually adjustable
- Conductive plastic shell of the backrest with ESD marking
- Load-dependently braked, soft rollers
- GS tested
