

Tickopur Universal Cleaner Concentrate, TR7 / 5 litres

Special cleaner

For cleaning and degreasing of dismantled and undismantled machines, tools, devices and parts in industry, trade and laboratories.

TICKOPUR TR 7 is especially suitable for cleaning in SONOREX ultrasonic devices, but also for immersion and wipe cleaning.

wipe cleaning. When used properly, a fast and material-friendly cleaning is guaranteed.

TICKOPUR TR 7 removes:

Greases, oils, waxes, pigments, solder pastes, drilling, grinding, polishing and lapping residues from metal, glass, ceramics, plastics, rubber etc.

TICKOPUR TR 7 solutions have a demulsifying effect. Oily and greasy contaminations float on the cleaning solution and can be removed quickly and without problems. The service life of the cleaning bath is increased. The effectiveness of light force separators is not impaired.
