

## ESD PCB magazine 718K, 535 x 470 x 563 mm

---

The ESD PCB magazine 718K from CAB is the ideal solution for the safe storage, transport and organization of PCBs. Made from electrically conductive plastic, the magazine offers reliable ESD protection and minimizes the risk of electrostatic damage to sensitive components. With 50 slots, PCBs with a width of 10 to 400 mm and a length of up to 522 mm can be inserted systematically and in a space-saving manner.

The precision-manufactured spindles ensure parallel alignment of the side walls, while a toothed belt allows the insertion width to be adjusted in seconds. Consecutive numbering on the PCB guides makes it easier to insert and remove the PCBs, making work processes in production, the test bay or workshop more efficient. Dimples on the top allow several magazines to be stacked securely, and the integrated transport lock provides additional protection during handling.

With compact external dimensions of 535 x 470 x 563 mm and a weight of 9.6 kg, the PCB magazine 718K can be used flexibly and is stable and robust. Temperature-resistant up to

130 °C for plug-in units and 80 °C in the environment, it is also suitable for demanding production environments. The 700 series magazine combines sophisticated functionality, durability and ESD safety - an indispensable tool for electronics production, laboratories and workshops.

- Temperature of slide-in modules: 130 °C, environment 80 °C
- Weight: 9,6 kg
- Outer dimensions L x W H: 535 x 470 x 563 mm
- PCB width: 10 - 400 mm
- PCB length: 522 mm
- 50 slots
- Studs for stacking the magazines
- Transport lock
- Consecutive numbering on the PCB guides facilitates insertion
- Precision spindles ensure the parallelism of the side walls
- Toothed belt for width adjustment in seconds
- made of electrically conductive plastic

<b>Item no.</b>	<b>WL22199</b>
Model	8913548 / 8916718
Manufacturer	CAB
Manufacturer article no.	8916718
GPSR manufacturer data	CAB Produkttechnik Wilhelm-Schickard-Straße 14 DE-76131 Karlsruhe www.cabgmbh.com
Length	535 mm
Width	470 mm
Height	563 mm
Sales unit	1 piece
Content unit	1 piece
Colour	black
Material	Black plastic
Incl. battery	no
ESD compliant	yes
PCB magazine series	Series 700
PCB magazine material	plastic
