

WDC Dry Cleaner for soldering tips with brass cleaning wool

The WDC dry cleaner from Weller offers an efficient solution for cleaning soldering tips. Equipped with high-quality brass cleaning wool, it reliably removes residues without damaging the soldering tip. The innovative design enables easy handling and ensures a long service life for the soldering tips. The dry cleaner is an environmentally friendly alternative to conventional cleaning methods as it does not require the use of chemicals. Perfectly suited for use in demanding soldering applications, the WDC dry cleaner ensures consistent performance and optimum results.

- with metal braiding in housing
- for soldering tips with brass cleaning wool
- Minimization of peak erosion
- Doubling of soldering tip service life
- especially for lead-free soldering

Item no.

WL22581

Products for the electronic industry

Model	WDC
Manufacturer	WELLER
Manufacturer article no.	T0051512499N
GPSR manufacturer data	WELLER Tools GmbH Carl-Benz-Strasse 2 DE-74354 Besigheim www.weller-tools.com
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
ESD compliant	no
