

ESD aluminium tape for floor covering, self-adhesive, L 50 m, W 50 mm

To fasten an ESD floor covering, a suitable ESD aluminium strip from Warmbier is required in an ESD-compatible EPA. As an alternative earthing option for laying larger areas instead of earthing via push-button system.

Item no.	WL23022
Model	2821.AL.50
Manufacturer	WARMBIER
GPSR manufacturer data	Wolfgang WARMBIER Untere Gießwiesen 21 DE-78247 Hilzingen www.warmbier.com
Length	50000 mm

Products for the electronic industry

Width	50 mm
Sales unit	1 rolls
Content unit	1 rolls
Colour	grey
Material	Aluminium
Incl. battery	no
ESD compliant	yes
