

Weller Erem 2412E Side Cutter Oval Head, Fits for all cutting applications, 130 mm

1 Million Movements - Magic Spring™ design enables maximum durability with constant spring force movements

Precision - Experience precise bending from the high-precision screw joint that enables a smooth action with no jaw overlap

ESD Safe - made from ESD-safe material to prevent damage to sensitive components

Quality - Uncompromising Swiss quality created to be strong and durable

Comfort, Security and Grip - Ergonomically-shaped handles provide superior comfort and fatigue-free handling with Maximum Opening Stop Technology

Strong and Sharp - Hand-crafted cutting edges for superior strength and sharpness

The ergonomic handles and the special materials ensure a soft feel, operating comfort and safety

This is the most widely used head shape

Fits for all cutting applications where easy access is given

Products for the electronic industry

It is robust and offers the highest cutting capacity

Weller Erem® Cutters are designed to be strong, durable and sharp, having the highest precision available. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Cutters are built to last. The signature high-performance cutters set the industry standard with features that include Weller Erem Magic Spring™ providing over one million consistent, precise and accurate movements, High-Precision Screw Joint, and Maximum Opening Stop Technology. Feel the difference with Weller Erem® – the proven choice. Every time.

- This is the standard head shape.
- It is used for all cutting tasks in easily accessible places.
- The solid head allows a high cutting capacity and is characterized by robustness.
- The ergonomic handles and special materials guarantee a soft feel, ease of use and safety.
- Swiss made

item number	WL23080
model	2412E
