

Clip for tube/cable to desoldering iron

The clip for hose/cable for desoldering irons from JBC is an indispensable accessory for precise soldering work. It ensures that hoses and cables are guided safely and neatly, which makes handling the desoldering iron much easier. Thanks to its robust design, the clip ensures a long service life and reliable performance. Ideal for use in professional workshops, it offers easy installation and fits seamlessly with standard desoldering iron models. Discover the increase in efficiency at Weidinger.eu.
