

Industrial side cutters, with high leverage, with bevel, 0.5-2.75 mm

Side cutters with progressive cutting edges that cut hard materials such as hardened steel wire as well as soft materials such as copper wire and plastic-insulated wire.

- cutting capacity copper/steel D = 0.5-2.75 mm
- ISO:5749 DIN:5749
- Finish: burnished, rust protected.
- Material: chrome-vanadium. With handles made of 2-component material: a thermoplastic surface over sturdy polypropylene ensures excellent grip and comfort.
- Shape: reduced distance between joint and cutting edge for maximum leverage and cutting capacity Progressive cutting edges allow better access to hard to reach areas. Opening spring with on/off function.

Item no.	WL23460
Model	TRX 8180
Manufacturer	LINDSTRÖM
Manufacturer article no.	TRX 8180
GPSR manufacturer data	SNA Europe SAS/ LINDSTRÖM Antigua Carretera Altube km 5.5 ES-01006 Vitoria-Gasteiz www.lindstromtools.com
Length	210 mm

Products for the electronic industry

Width	52 mm
Height	85 mm
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
VDE	no
Head width	29 mm
Cut shape	large bevel
ESD compliant	no
Tool length	210 mm
Type of side cutters	side cutter
Length of the jaws	22 mm
