

WDC-2 WDC-2 ESD Weller soldering tip cleaner for dry cleaning

The WDC-2 ESD soldering tip cleaner from Weller offers an efficient solution for dry cleaning of soldering tips. Equipped with a special cleaning wool, it reliably removes residues without damaging the sensitive tip. The ESD-safe design protects against electrostatic discharge and ensures safe use in sensitive working environments. The compact design enables easy integration into the workplace and ensures a long service life for the soldering tips. An indispensable tool for precise soldering work.

- with metal braiding in housing
- for shelf WDH
- especially for lead-free soldering

Item no. **WL23751**

Model **WDC-2**

Products for the electronic industry

Manufacturer	WELLER
Manufacturer article no.	T0051512599
