

Screwdriver set with T-handle for hexagon screws, 6 pieces

- Screwdriver set with T-handle, 6 pieces, for hexagon socket screws
- Hexagon socket: 3, 4, 5, 6, 8, 10 mm
- 2-component handle provides high comfort and reduces the occurrence of pressure points in the hand
- Markings on the handle for faster identification of the blade
- Burnished tip for higher accuracy and chrome-plated blade for maximum corrosion protection
- Long blade for use as a T-wrench. For high torque. The long blade provides good turning control and easy access to deep screws
- The short 90° blade is suitable for high torques or working in places with low height
- integrated suspension opening
- Article number and blade size lasered onto the blade
- In blister pack

item number	WL25424
