

ESD chair Industrial PU, standard version, black

The ESD chair Industrial PU-Chair by Warmbier has a synchronous adjustment of the seat and backrest and thus offers ergonomic seating comfort. In addition, the PU integral foam is ideal for cleaning.

- 5-star base in chrome-plated aluminium with 5 conductive soft castors
- Synchronous adjustment of seat and backrest
- PU integral foam is easy to clean
- Marking with ESD symbol
- Load-dependently braked, soft rollers
- GS-tested

item number	WL26262
