

Cheque card magnifier easyPOCKET, 4x, 16 dpt., blue

The easyPOCKET flashlight magnifier is extremely practical to use thanks to its ultra-flat and lightweight design in credit card format. The result is a brilliant image with optional illumination when the lens is pulled out. No lamp change required. The LED lighting used by Eschenbach has an almost unlimited service life.

- That's how small big vision can be.
- Diffractive aspherical PXM® light lens for sharp, distortion-free imaging.
- Lighting: super flat SMD-LED.
- Product dimensions: 86 x 54 x 6 mm.
