Cups for extractors & tripods CU110, 3x Ø 4.7 mm / 3x Ø 10 mm

The CU110 suction cup set from JBC, available at Weidinger.eu, offers a versatile solution for precise handling tasks. The set includes three suction cups with a diameter of 4.7 mm and three with a diameter of 10 mm, which are ideal for use in various applications. The suction cups ensure a secure hold and make it easier to lift and place small components. Thanks to their robust construction, they are durable and reliable. This set is a valuable addition to any workplace that requires precision and efficiency.
