

Soldering bath ROTADIP 450 W, 420 °C

Soldering bath with automatic oxide stripping

- electronic temperature control
- round, D x Depth = 76 x 45 mm
- filling quantity = 2.5 kg
- temperature max = 420 °C
- 230 V - 450 W

suitable for lead-free solder

item number	WL26919
model	ROTADIP RD3D
manufacturer	FTM
order unit	1 piece
content unit	1 piece
