

## ESD polo shirt CONDUCTEX men, dark blue breast pocket, XS

---

The dark blue ESD polo shirt by HB made of CONDUCTEX® Pro knit for men with polo collar is very suitable for industrial laundry due to the polyester content, especially soft and comfortable to wear. The material is knitted, not woven, and therefore allows for an optimum fit. There is also a practical pocket with button closure on the left breast.

- 1-color
- conductive polo collar
- Polo placket with button closure
- Left breast pocket with button fastening
- Double cuffs
- Modern shirt length, suitable for wearing on top
- EPA emblem on right upper arm.

item number

WL27606
