

Crimping pliers also for two-hand operation burnished 250 mm

Description

- pliers: burnished
- Handles: with non-slip plastic covers
- Application: insulated cable shoes, connectors + butt connectors
- Capacity: 0,5-0,6 mm²
- Number of nests: 3
- For solderless electrical connections
- Up to 30 % reduced manual force compared to conventional crimping pliers due to lever ratio
- Consistently high crimp quality due to precision inserts and ratchet lock (unlockable)
- crimp pressure is precisely adjusted (calibrated) at the factory, adjustable
- Two-hand operation for easy crimping of large conductor cross-sections
- Good handling due to balanced centre of gravity, angled head and ergonomically shaped handles
- Special grade chrome vanadium electric steel, oil-hardened

Product details

item number	WL27695
manufacturer	KNIPEX
manufacturer item number	97 52 06
model	9752-06
