

Glass tube for desoldering iron WXDP 120

The glass tube for the WXDP 120 desoldering iron from Weller is an essential spare part for precise and efficient soldering work. It ensures an optimum view of the work area and supports the reliable removal of solder. The high-quality material ensures durability and resistance, even with intensive use. Easy installation and precise workmanship make this glass tube an indispensable component for the smooth operation of your desoldering iron.

Item no.	WL27810
Model	T0058765778
Manufacturer	WELLER
Manufacturer article no.	T0058765778N
GPSR manufacturer data	WELLER Tools GmbH Carl-Benz-Strasse 2 DE-74354 Besigheim
