

## Two-channel soldering station 230 Volt, 2 soldering irons MX-H1-AV

- 125 watts
- Input voltage: 100 to 240 VAC

|                          |                                                                                                      |
