

## ESD glove polyester, lint-free, without coating, M

### Description

These white ESD gloves from Eurostat offer your employees effective all-round protection against electrostatic discharge when working with sensitive electrical components in an EPA. The conductivity of the gloves is achieved by the conductive special fibre carbon, which is incorporated in the glove liners.

### Product details

item number	WL28132
manufacturer	DIVERSE
manufacturer item number	51-690-0505
model	51-690-0505
order unit	pair
material	polyester
typical bleeder resistance	< 10 <sup>10</sup> Ohm
material gloves	polyester
version gloves	long finger gloves
glove size	M
