

## ESD sweat jacket CONDUCTEX® Cotton Knit, size L, black

---

Sweatshirt and sweat jacket made from CONDUCTEX® Cotton knit impress with their high level of comfort, reliable wicking properties and very high-quality workmanship. The particularly soft, pleasant material is knitted, not woven, and therefore provides an excellent fit and plenty of freedom of movement.

Single-colored; comfortable, well-fitting and conductive sweat collar; front with zipper; 2 side pockets; modern length; well-fitting cuffs; ESD logo on left upper arm.

- 1-color
- comfortable, well-fitting and conductive sweat collar
- front with zipper
- 2 side patch pockets
- modern length
