

ESD Chair Neon 2 with castors Flexband orange, permanent contact

The ESD chair Neon 2 with castors is equipped with the permanent contact backrest as well as the ergonomics package, so that an individual adjustment of the work chair is possible. This ensures ergonomic, back-friendly sitting behaviour at the workplace.

- Work swivel chair with permanent contact mechanism and ergonomics package (weight adjustment, seat depth adjustment, seat tilt adjustment, backrest height adjustment)
- Seat and backrest without upholstery (basic chair)
- aluminium base
- Conductive according to EN 61340-5-1
- five volume-conducting rollers
- Volume conductive plastic back shell
- Conductively coated steel parts
