

ESD work coat CONDUCTEX, women, short-sleeved, 135 g/m², white/blue, size L

By wearing a Conductex ESD jacket from HB you prevent both electric charging and strong particle release. Conductex is one of the lightest and most comfortable materials when it comes to protecting products from electrostatic discharge. The blended fabric convinces with very good discharge values and high wearing comfort. All closing seams are additionally bordered. The ESD logo is embroidered on the left upper arm. The ESD work coat naturally meets the requirements of DIN EN 61340-5-1.

- Ladies version
- extremely low grammage
- Typical point-to-point resistance $R_{p-p} = 10^6 - 10^7 \text{ Ohm}$

item number
