

ESD chair Neon 2 with castors, flex band blue, synchronous technology, without upholstery

Equipped with five volume-conducting castors, the ESD chair Neon 2 is ideally suited for flexible use at the workplace. In addition, the work chair with the synchronous backrest in combination with the ergonomics package can be optimally adapted to the respective user.

- Work swivel chair with synchronous technology and ergonomics package (weight adjustment, seat depth adjustment, seat tilt adjustment, backrest height adjustment)
- Seat and backrest without upholstery (basic chair)
- aluminium base
- Conductive according to EN 61340-5-1
- five volume-conducting rollers
- Volume conductive plastic back shell
- Conductively coated steel parts

Item no.	WL31067
