ESD T-Shirt round neck royal blue, with black collar, 150g/m², 3XL

The SafeGuard ESD shirts are very comfortable to wear due to the refined, high-quality cotton and are available in many sizes in our online shop. The round black collar is a real eye-catcher, as well as the embroidered ESD logo on the sleeve. The typical point-to-point resistance is: Rp-p: 105 - 107 Ohm. The ESD T-shirt can be washed at 40° without the use of fabric softener. Of course, the ESD T-shirts meet the requirements of DIN EN 61340-5-1.
