

## ESD Chair COMFORT PLUS Chair Standard, black

---

The ESD chair Comfort Plus by Warmbier has a moulded foam cushion and thus guarantees ergonomic seating comfort. In addition, charges can be perfectly dissipated with the aid of the conductive backrest.

- 5-star polished aluminium base with 5 conductive soft castors
- Adjustable back height
- Adjustable seat height, depth and inclination
- Mechanism with synchronous technology ensures active-dynamic sitting
- Seat and dynamic backrest individually adjustable
- High-quality moulded foam padding
- Conductive plastic shell of the backrest
- ESD marking
- Load-dependently braked, soft rollers
- GS tested

<b>item number</b>	<b>WL31913</b>
