

ESD work coat unisex white, 3/4 length, L

This ESD coat from Warmbier is the ideal companion for employees in an EPA zone. It covers your non-conductive clothing to protect sensitive components and prevent damage. Of course, the ESD work coat can be washed at 60°C and meets all requirements of DIN EN 61340-5-1.

- Lightweight, breathable, comfortable to wear
- Machine washable up to 60°C
- Conductive 4 mm grid
- Electrostatically dissipative cotton blend fabric
