

ESD work coat, unisex, white/bordeaux, short, 3XL

It is absolutely necessary to wear an ESD working coat from Warmbier in the EPA protection zone. This provides the necessary protection when working with sensitive components. The ESD work coat meets all requirements of DIN EN 61340-5-1 and can be washed at 60°C if soiled.

- Lightweight, breathable, comfortable to wear
- Machine washable up to 60°C
- Conductive 4 mm grid
- Electrostatically dissipative cotton blend fabric
- Carding arm with press button fixation
- with applications on the side and breast pockets
