

ESD work coat, unisex, blue/dark blue, short, XL

For employees working in an EPA zone, this white ESD jacket from Warmbier is the perfect work jacket. The non-conductive clothing is covered by the ESD coat. This guarantees that sensitive components are protected from damage and electrostatic discharge. The ESD work coat meets all requirements of DIN EN 61340-5-1 and can be washed at 60°C if soiled.

- Lightweight, breathable, comfortable to wear
- Machine washable up to 60°C
- Conductive 4 mm grid
- Electrostatically dissipative cotton blend fabric
- Carding arm with press button fixation
- with applications on the side and breast pockets
