

ESD work coat, unisex, white, 3/4 length, S

For employees working in an EPA zone, this white ESD jacket from Warmbier is the perfect work jacket. The non-conductive clothing is covered by the ESD coat. This guarantees that sensitive components are protected from damage and electrostatic discharge. The ESD work coat meets all requirements of DIN EN 61340-5-1 and can be washed at 40°C if soiled.

- Slightly pleasant wearing characteristics
- Machine washable up to 40°C
- Conductive 4 mm grid
- Electrostatically dissipative polyester fabric

item number	WL32085
