

Cleanroom ESD work chair Basic 3, with glider and ascending aid, permanent contact, seat tilt

The Basic 3 work chair is ideally suited for cleanroom use and at the same time meets the requirements of DIN EN 61340-5-1. The cleanroom chair can be individually adapted with the aid of the seat tilt adjustment and the permanent contact mechanism.

- Backrest height adjustment
- Polished aluminium base
- disinfectant-resistant and GMP-compliant
- Clean room class 3 according to EN ISO 14644-1
- Conductive according to EN 61340-5-1
