

PreciForce® crimping tool burnished 220 mm

Description

- pliers: burnished
- Handles: with multi-component covers
- Application: uninsulated press connectors according to DIN 46267
- Capacity: 1,5-4 mm²
- Number of nests: 3 Consistently high crimp quality thanks to precision inserts and ratchet lock (can be unlocked)
- crimp pressure is precisely adjusted (calibrated) at the factory, adjustable
- Power amplification through toggle lever for fatigue-free working
- Good handling due to favourable handle position, low weight, short design and ergonomically shaped handles
- Special grade chrome vanadium electric steel, oil-hardened
