

Magnifier lamp Vario LED flex, 2.5x, 6 dpt., D=76 mm

Due to its low weight, compact dimensions and high flexibility, the vario LEDflex magnifier luminaire from Eschenbach can be used anywhere. Thanks to the gooseneck stand in combination with the biaxial lens suspension, the vario LEDflex ensures an optimum swivelling range of the magnifier head.

Comfortable alignment of the magnifier lamp due to ergonomic "magnifier handle".

- Aspherical PXM® light lens, cera-tec® coated for sharp, distortion-free imaging
- Switchable between shadow-free ring illumination and segment illumination for surface inspection
- Lighting near point for shadow-free illumination: 2 cm
- Illuminance: approx. 6,000 lx (150 mm working distance)
- Instant full light output
- Gooseneck with protective cover for better hygiene
- Mounting via table clamp
- Mains adapter for EU, GB, US enclosed
- Cable length: 3 m

item number	WL33544
model	2781
