

## Spare blade for 12 11 180

---

1 pair of spare blades for 12 11 180 With interchangeable blades for four (matched to diameter) or six (matched to cross-section) different conductor cross-sections. No damage to the conductor due to precisely ground form blades, even fine stranded wires are stripped gently. Clamping jaws hold the wire firmly during stripping. With adjustable length stop for equal stripping lengths when working in series. A pressure spring returns the pliers to their original position.
