

ESD Sweatshirt round neck, grey 300 g/m², M

The ESD sweatshirt from HB is made of CONDUCTEX® Cotton knit and convinces with high wearing comfort, reliable draining ability and very high-quality workmanship. The particularly soft, pleasant material is knitted, not woven, and thus provides an excellent fit and plenty of freedom of movement. The sweatshirt is marked with the ESD logo on the left arm. In addition, the knitted cuffs on the sleeves and hem give the ESD pullover a beautiful fit.

- 1-colored
- comfortable, well-fitting round neckline with conductive collar
- HB logo directly embroidered on the back below the collar
- EPA emblem on the right upper arm.
