

Cleanroom ESD work chair Plus 2 with castors, backrest height 380 mm

The closed construction of the seat and backrest cover of the Plus 2 cleanroom work chair prevents particles from being deposited on the outside. In addition, the backrest can be adjusted using the permanent contact mechanism. The imitation leather cover is slip-resistant, so that you have a firm hold even with smooth cleanroom clothing.

- Smooth, closed surfaces of the seat and backrest shell
- Prevention of particle deposition
- electrostatically conductive according to EN 61340-5-1
- polished and abrasion-resistant aluminium base
- Seat support and backrest cover made of sheet steel
