

ESD work table Basic, ESD laminate, manually adjustable, grey, 1600x800 mm

The ESD work table Basic from Karl in ESD-directly coated design fulfils all standards which are prescribed for an ESD-compliant workplace in an EPA in order to guarantee safe working with sensitive electronic components.

- loadable up to 150 kg
- base frame made of sturdy square steel tube, 35 x 35 mm
- Table legs can be dismantled, fastened to the underframe using special connectors with a screw
- all metal parts conductive powder coated
- Melamine resin direct coating, limited abrasion and scratch resistance
- volumetrically conductive carrier plate
- Leakage resistance RA1 x 10⁵ to 5 x 10⁹ Ohm (dry measurement according to IEC 61340-5-1, 100V)

item number	WL35593
model	31.025.34
model line	Basic
manufacturer	KARL
manufacturer item number	31.025.34
width	1600 mm
depth	800 mm
order unit	1 piece
content unit	1 piece
colour manufacturer	light grey
Colour	grey
type height adjustment	clamping screws
height adjustable	720 – 900 mm
material frame	square steel tube
typical bleeder resistance	$10^5 - 10^9 \text{ Ohm}$
connection	2x 10 mm press stud
version plate	ESD version
material tabletop	ESD laminate
with earthing point	no
load capacity	150 kg
ESD safe	yes
